Subject: Awareness and registration of job seekers/students on the "NIYOJAN SETU" Portal – request for wide publicity – reg.

Madam/Sir,

With reference to the subject cited above, I am to inform you that the Skill Development and Technical Education (SDTE) Department, Government of Odisha, through the Odisha Skill Development Authority (OSDA), has launched a digital employment portal named "NIYOJAN SETU" to bridge the gap between job seekers and employers across the State.

The portal is designed to streamline the recruitment process by matching the qualifications of candidates from 10<sup>th</sup> onwards including ITI, diplomas, degrees and post-graduation – with relevant private sector job opportunities available locally and across India. It hosts dedicated dashboards for both applicants and recruiters, and facilitates job postings, candidate shortlisting, and real-time notifications regarding district-level job fairs and recruitment drives.

Portal Link: <https://niyojansetu.skillodisha.gov.in>

In order to ensure maximum benefit to the job seekers of this district, all concerned are requested to give wide publicity to this portal among students, trainees, ex-trainees, and job seekers under their respective jurisdiction/institution, and to encourage them to register on the portal at the earliest. In this regard, the following is requested:

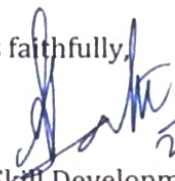

- Display notices/banners regarding the Niyojan Setu portal on institutional/office notice boards and websites, wherever applicable.
- Announce and explain the portal and its benefits to students/trainees during assemblies, classes, or block-level meetings, as applicable.
- Encourage all eligible job seekers, students of the final/passing-out batches, and unemployed youth in the area to register on the portal with their correct qualification and contact details.
- Guide the beneficiaries to keep their profiles updated so that they receive real-time notifications on district-level job fairs, campus drives, and recruitment opportunities.
- Extend necessary cooperation for any awareness/registration camps that may be organised in coordination with this office.

This is a State Government initiative aimed at improving employment outcomes for the youth of Odisha, and your active cooperation in creating awareness among job seekers of Nabarangpur district is solicited.

This may be treated as urgent and given wide circulation at the earliest.

Encl: As above

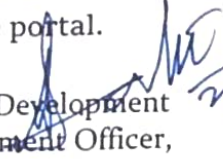

Yours faithfully,
